

LAW MODIFICATIONS

While the modifications are addressed on an age by age basis, one modification is present in all groups. WCYSA uses a "green card" system to assist the referee in substitutions. In most games in our league, substitutions can be done only at specific times, but the number of substitutions is generally not limited. This can cause a lot of confusion for the player coming into the game, the player going out of the game and the referee keeping track of all that is going on. To help the referee keep up with substitutions and to teach players how substitution works, we have implemented a "green card" that players hold up at the half line when they are ready to be substituted. The player waits there until summoned on by the referee and hands the card to the outgoing player. We feel that this process makes the game flow more smoothly and leaves the referee more in control. This process may not always be implemented at the U14 and above level of play where the standard procedure should be familiar to players of those ages.

U6 AGE GROUP

- LAW 1- Field of play shall be 75' X 105', no goal box/penalty area, no Flag-posts, goal size is 4'X6'.
- LAW 2- Ball size #3
